WINE CELLARS

## **NV California White Wine**

Vineyard: Sutter Ranch, Palmero

The Cellar:

This wine is a non-vintage blend of Chenin Blanc from several vintages ranging from 2020 to 2016, including a barrel of sous voile from out solera. It exhibits both the oxidative qualities of the solera and the brightness of the younger wines. This is a great wine to pair with all manner of cheeses, tinned fish, and savory dishes.
